#### National Fire Plan Efforts in this Region ...

National Fire Plan analysis was conducted by the Northwest Management, Inc., Geographical Information Systems Laboratory located in Moscow, Idaho. This project was implemented with the West Central Highlands RC&D, participating Counties & Cities, fire districts, and local citizens. Cooperation, and data was provided in collaboration with the US Department of Interior Bureau of Land Management, the US Department of Agriculture Forest Service, the Idaho Department of Lands, and the South Idaho Timber Protective Association (SITPA).
